

# KEVIN WHITE, MD, PHD

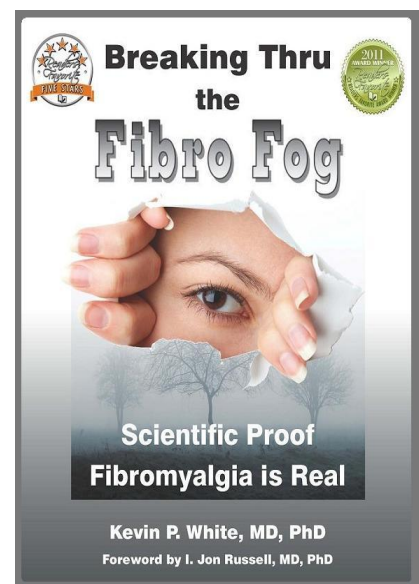

- ❖ Internationally-renowned for his research, and a world authority on a common, but controversial chronic pain condition called *fibromyalgia*, **this multi award-winning physician, scientist and author uses scientific proof to disprove conventional medical wisdom.**
- ❖ As a University Teacher of the Year, Dr. White is an animated, inspirational, often-humorous, and authoritative speaker who knows how to speak with passion, compassion and clarity to ANY audience.
- ❖ He has extensive media experience, including radio, TV, and print and social media.
- ❖ His just-published book – *BREAKING THRU THE FIBRO FOG: SCIENTIFIC PROOF FIBROMYALGIA IS REAL* – **challenges the status quo** and is taking the world by storm. It won a 2011 Reader's Favorite Book Award and recently ranked #4 on Amazon.
- ❖ Passionate in his message, Dr. White will debate anyone about the reality of fibromyalgia as a valid medical diagnosis.

**Imagine having terrible pain that's not going away... and yet NOBODY BELIEVES YOU, because you look normal. Now picture that there's scientific PROOF your pain is REAL!**

**SIX MILLION NORTH AMERICANS and 100 million people worldwide currently suffer from fibromyalgia – *the disease of a million myths.***

- ❖ It is the non-fatal disease in which suicide rates are multiplied TEN times.
  - ❖ It is the old woman's disease that starts in childhood.
  - ❖ It is the invisible disease we now have the technology to see.
- Let Dr. White inform your readers/listeners/viewers...
- ❖ How fibromyalgia is defined, diagnosed and treated.
  - ❖ What causes it, including the genetic link.
  - ❖ About fibromyalgia in children.
  - ❖ 5 secrets to feeling better.
  - ❖ Snappy comebacks to give naysayers who say your pain isn't real.
  - ❖ How increased understanding about what causes fibromyalgia is causing more and more specialists to refuse treating it.
  - ❖ Who 8 million Americans with fibromyalgia will vote for in the upcoming U.S. Presidential election.
